Where nature slows you down and invites you to breathe deeper

AURORA & ANCHOR

# CALIFORNIA REDWOODS GUIDE

A journey through towering forests and coastal beauty

## Travel Tips

---

- 🚶 Give yourself extra time between stops- distances can be deceiving, and part of the experience is slowing down and taking it all in.
- 🚶 Download Maps in advance- cell service is limited throughout the parks
- 🚶 Dress in layers - temperatures can shift quickly between the coast and forest
- 🚶 Embrace the fog- morning fog is part of the magic
- 🚶 Go early or late- visit trails early in the morning or later in the afternoon for a quieter, more peaceful experience.
- 🚶 Take the scenic route- drive sections like the Avenue of Giants slowly- these moments are just as memorable as the hikes

### *PRO TIP*

*Plan fewer stops and spend more time in each location- the Redwoods are best experienced slowly, not rushed.*
